

**Safe, Healthy, Livable Communities for All**  
**Suggested by Leilani Pulmano 11-7-19**

**Policies**

- ~~1. Development a homelessness strategic plan.~~

**Actions**

1. Amend the zoning code to increase density for infill developments that are outside of shoreline setback areas in order to reduce urbanization in our agricultural and open space lands. (Planning)
2. Build walking and biking paths to transit stops from neighborhoods that have no transit routes. (DPW)
3. Amend the zoning code to allow for mixed-use developments. (Planning)
4. Implement Clean & Safe programs to help with homelessness. (DHHC)
5. Provide or build a facility to for mental health services. (DHHC)
