To the members of the Community Plan Advisory Committee

In reference to the meeting scheduled for February 20<sup>th</sup> at 5:30PM at the Lahaina Civic Center

On behalf of the Libertarian Party of Hawaii I'd like to express our strong support for the home building projects proposed at Olowalu and Makila/Launiupoko. The lack of housing available for local people, who make up our workforce, has become a critical problem in our islands. Let's ensure needed development projects are approved.

Tracy Ryan

Chair, The Libertarian Party of Hawaii
